Product highlights

Wireless Smart Loader™
Provides the ability to copy easy and wireless all programmming settings from one TV set into other TV sets in less then a minute. The feature ensures uniformity between TV sets and significantly reduces installation time and costs.

External Loudspeaker Connector
Amplified audio connector for easy installation of external speakers (like for bathrooms), eliminating the need for investments in external equipment

Welcome Message
Welcome greeting displayed on screen each time the TV set is switched on

Volume Control Locking
This feature predefines the volume range in which the TV set can operate, preventing excessive volume adjustments avoiding disturbance of next door guests.

Front Controls Locking
Prevents unauthorised access to TV functions

Switch On Channel Programming
It forces the TV set to a specified channel when turned on. Perfect for in-house advertising or information channels.

Security Menu Access
Provides conditional access to installation and configuration settings via a special code or master remote control

ESP™
Feature can be selected in the set-up menu. The TV can be switched off automatically after a specified period of use saving energy and provide extended product life time. The selectable range is from 0 to 99 hours.

Multi Language Teletext
Allows users to select their preferred language supported by the teletext characters
